Representative **HERBKERSMAN** proposes the following amendment:

### **SECTION 108 – F500 Public Employee Benefit Authority**

New

**108.naf.** (PEBA: Non-State Agency Furloughs) For the current fiscal year, a participating employer in the South Carolina Retirement System or Police Officers Retirement System that is not a state agency or institution of higher learning may make employee and employer contributions for a period of not more than ninety working days during a furlough program that was implemented as a result of and took place during the COVID-19 Public Health Emergency and if the terms of the furlough program are consistent with the requirements for an approved mandatory furlough program established by a state agency or institution of higher learning under state law. The participating employer shall make such contributions in order to ensure that a furloughed employee's retirement benefits are not interrupted as a result of the furlough, and the period for which such contributions are made will not be considered a break in consecutive employment.
